## PREVENTION & PROTECTION FOR YOUR DIGITAL LIFE

Between our phones, tablets, laptops, and smart devices of all kinds, we spend an average of four hours on the internet each day. Every minute we work, shop, and socialize online, we run the risk of identity theft or fraud that is often so sophisticated we are not even aware it has happened.

ID Theft Protection uses innovative technology to offer multiple layers of protection, including best-in-class fraud prevention and remediation services. Dark web and financial monitoring, along with 24/7 customer service, and stolen funds reimbursement ensure comprehensive protection to restore your confidence and your safety.
