

DEBT CANCELLATION

FINANCIAL PROTECTION

If an accident or theft results in a total loss, you still owe the balance due on your loan.

Debt Cancellation can assist you with that remaining debt.

HOW TO AVOID A BLIND SPOT WHEN IT COMES TO FINANCIAL PROTECTION

For every vehicle owner, theft is a real danger and accidents happen — sometimes serious ones. Either of these events can result in your vehicle being deemed a “total loss.”

Debt Cancellation is a unique program that helps protect you from the potential financial burden that may result from your vehicle being declared a total loss due to accident or theft. With Debt Cancellation, you have the opportunity to receive assistance with the amount you still owe on your vehicle in the event of a covered total loss.
