## IDENTITY PROTECTION

### KEY AND IDENTITY THEFT PROTECTION

#### YOUR LOST KEYS RECOVERED IN THREE EASY STEPS

1

Register your keychain ID# online

2

Once activated, attach your keychain to car key/remote/fob

3

If lost, the finder is instructed to use the ID number on the keychain to contact you instantly and anonymously

#### WORRY FREE PROTECTION

Today's keys and remotes offer a host of convenient and beneficial features. Unfortunately, this often means replacement can be expensive -- in some cases, as high as \$800. The **Keyfetch Auto+** Protection Service Contract offers triple protection through a 'smart' keychain with proven loss recovery technology, reimbursement for device replacement if keys or remotes cannot be retrieved, and identity protection benefits with fraud prevention and remediation services. Together, these benefits make Keyfetch Auto+ the most innovative and best value solution on the market.
