

TECHSHIELD™

HI-TECH VEHICLE SERVICE CONTRACT

COVERAGE FOR VITAL COMPONENTS THAT MAKE TODAY'S VEHICLES RUN

Vehicle protection doesn't need to stop at your engine. Modern vehicles are powered by high-tech systems that provide safety as well as entertainment and convenience.

Collision avoidance systems, Bluetooth connectivity, voice recognition, and keyless engine controls are just a few examples of the intricate tech network built into new vehicles and increasingly relied upon by drivers. When a component fails, repairs can be complicated and costly.

TechShield™ offers a unique, high-value Vehicle Service Contract that covers the technology components of your vehicle. Protect your vehicle and your budget with coverage for the hidden tech that makes your driving experience seamless and safe.
