**A COMPLETE VEHICLE THEFT DETERRENT
AND RECOVERY SOLUTION, NOW
INCLUDING ID THEFT PROTECTION.**

According to the FBI, a motor vehicle is stolen every 46 seconds in the United States, potentially opening a gateway to your property and privacy. Protect your vehicle and yourself with our Theft Protection Plus products, which help prevent theft, facilitate the recovery of a stolen vehicle, and provide robust protection should identity theft or fraud occur. Our theft deterrence products provide you with real peace of mind and may even meet your insurance carrier's requirements for anti-theft premium discounts.

PROTECTION PRODUCTS

UV Body Panel Labels leave a permanent and unique code on your vehicle that is visible under UV light, deterring theft and allowing law enforcement agencies to identify the owner of a recovered vehicle.

GPS Tracking Devices can be installed in your vehicle (some using the OBDII on-board diagnostic port) that transmit its location using GPS satellites, allowing immediate location tracking and aiding in recovery.

ID Theft Protection uses innovative technology to offer multiple layers of protection, including best-in-class fraud prevention and remediation services.

BENEFITS

If your vehicle is stolen and not recovered, or if the vehicle is recovered but declared a total loss, you may be eligible for:

- A benefit to be used toward your purchase or lease of a replacement vehicle

AND

- A benefit to be used toward payment of theft protection expenses, including your primary insurance deductible, rental costs, and travel expenses

Alternatively, if your stolen vehicle is recovered and not declared a total loss, you may be eligible for reimbursement of certain theft protection expenses.

Powerful ID Theft Protection includes dark web and financial monitoring, identity threat alerts, 24/7 customer support, stolen funds reimbursement, and much more.
